

Boston Children's Hospital

Main Operating Room Division Chief
Department of Anesthesiology, Critical Care and Pain Medicine
Boston Children's Hospital

The Department of Anesthesiology, Critical Care, and Pain Medicine at Boston Children's Hospital invites applications for the position of Main Operating Room Division Chief. We value and are strongly committed to a team-centered approach to patient care, the well-being of our clinicians, and innovation through research and education. Candidates should have significant leadership, mentorship, and clinical operational experience and a track record of scholarly productivity. The division includes about 100 physicians, 30 CRNA's, 30 GME fellows, and Residents. Candidates must be board certified in anesthesiology and pediatric anesthesia by the American Board of Anesthesiology. The Division Chief will report to the Chair of the Department.

Candidates must provide evidence of continuing medical education and meet the metrics for an academic appointment at Harvard Medical School (HMS) at the level of Assistant or Associate Professor.

Qualified individuals should submit their curriculum vitae and cover letter, including a summary of their qualifications for the position, vision for the position, and diversity and equity statement to Caitlin Licence at caitlin.licence@childrens.harvard.edu.

The requested materials should be addressed to Joseph P. Cravero, MD, Search Committee

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.
